Humphrey St. Francis in Humphrey NE

2009 CHAMPIONS
CALLING all COMMUNITIES.

“Now I can sleep at night! I’ve been waiting for your call. And even if we didn’t get the money it was so fun to see the community come together, thank you for that!”

- Darron Arlt, Principal of Humphrey St. Francis High School

After the event, students had a half day and went to local businesses to hand out t-shirts. As associates were leaving town just one hour after the event they saw a shirt already hung in the window of a gas station.
